

UNIVERSITY OF
Southampton

The Mobile Planetarium. Exploring the Astrophysics of the Universe

Schools and colleges in the South East can access the University of Southampton's portable planetarium for FREE.

Show topics include:

- "We Are Astronomers" an award-winning film created for the International Year of Astronomy featuring the voice of David Tennant (Doctor Who).
- Tours of the Night Sky with Stellarium, Celestia and World-Wide Telescope.
- The Cassini-Huygens Mission to Saturn and Titan film.

The mobile planetarium shows are targeted at different age groups: Primary, KS3, KS4 or AS/A - Level students and can fit into a school/college lesson period. Shows can be adapted to suit you.

Shows are provided to schools/colleges in the area surrounding the University of Southampton (within a 1.5 hour travel limit) for FREE. We also run shows on campus, please contact us for more details.
